# About College

JNTUA college of Engineering(Autonomous) Ananthapuramu, an Esteemed Engineering College in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of technical education along with skill development.

**INNOVATE,  
ELEVATE,  
CELEBRATE!**

# About the Department

The Department of Electronics and Communication Engineering, established in 1974, has completed nearly five decades of academic excellence. It has consistently produced skilled engineers who hold prestigious positions in India and abroad.

The Department is armed with good lab equipment and qualified staff. This year E-MERGE 2026 is scheduled on 24th March 2026, to enlighten the students with the recent developments of Technology.

# E-MERGE

The department of Electronics and Communication Engineering, JNTUA College of Engineering Ananthapuramu, hosts E-MERGE, a Tech-Fest. The Department encourages Student Organization ECHO (Electronics and Communication Heuristic Organization) to promote innovative thoughts in the students. The ECHO plays a vital role in organizing the National Level Student Technical Symposium 'E-MERGE' every year since 2003. This event provides a forum for students to express their unique abilities, compete with their peers, and is crucial for the holistic development of the students' personalities, and also offers a refreshing break from routine academics.

# E-MERGE 2K26
