JNTUA COLLEGE OF ENGINEERING (Autonomous) :: ANANTHAPURAMU
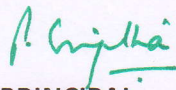

NOTICE

Sub : III year B.Tech.-II Semester (R19) – Open Electives – Reg.

It is here by informed to all III year B.Tech.-II Semester (R19) Students that, as per the academic regulations it is required to choose one open elective subject from the list enclosed. Regarding this please note the following points.

1) A Student can take any open elective pertaining to any department other than parent/their respective department.

2) Each Student need to select the open electives from the list enclosed in the order of preference and should submit the filed in 'Open Elective option form' (can be downloaded from college website) to the HOD on or before 30.04.2022. It is mandatory that all subjects should be given order of priority else their application is liable to be rejected. In such cases the college authorities have right to allot the subject based on the availability of seats.

3) HOD's in turn will submit The 'Open Elective option forms & consolidated list' to Academic section 02.05.2022.

4) In order to offer any elective the minimum no. of students opted for that elective should be 20 members.
